

POOL REGULATIONS

Please follow these safety and hygiene guidelines to ensure a pleasant experience for everyone

1. Bathing in the toddler pool is solely the responsibility of parents and requires active parental supervision, with no lifeguard on duty.

2. In addition, toddler swimming must be done using specialized swimsuits designed to prevent leakage, or proper swim diapers.

3. Swimming in the pool is permitted in proper swimwear only.

4. Smoking is strictly prohibited within the pool area. A designated smoking area is available in the southeastern section of the lawn.

5. It is strictly forbidden to bring food or beverages into the pool water or onto the paved area surrounding the pool.

6. Jumping or diving into the water is strictly prohibited.

7. All swimmers with long hair (past shoulder length) must tie it back securely with a hair elastic.

8. Dogs and other pets are strictly prohibited from entering the pool area (with the exception of certified guide dogs).

9. Please help us maintain a clean environment.

Wishing you a safe and enjoyable swim!
